

December 2020
Pine Shores Art Association

Artistically Speaking

Note from Pine Shores' President Linda Saladino

I hope you all enjoyed a happy Thanksgiving. No matter how different this year may be, we are all thankful for family and friends who are well and safe. Certainly our Art Harvest Show was cause for celebration. Congratulations to all the winners, and thanks to our gallery team, web master, and to the 60 members who participated. It was a truly great show. By now, you should have received a letter regarding annual membership and donations. It is our wish you will seriously consider both. As a bonus, those who join or renew by Dec. 31 will be included in a drawing to win one of these three hand painted historic facades donated by Al Steitzel—Ocean County Artists' Guild (ca. 1879), John F. Peto Studio Museum (1889) and The Church of St. Simon-by-the-Sea (1889). Winning names will be drawn at our first meeting in Jan. 2021. The coming year is our 40th Anniversary. Our board suggests we create a PSAA "Painted Cookbook" with your recipes and artwork, which will be both a celebration of your talents and serve as a fund raiser to support our ongoing programs. In the meantime, I know all of Pine Shores joins me in **wishing you a healthy and happy holiday season filled with love, and the hope for a new year bringing comfort and peace to us all.** Linda

Welcome to the 2021 PSAA Executive Board!
