

Fabulous Figures in Pastel

A one day Zoom Workshop
February 12, 2022 from 10:00 to 3:00

with: Pastel Artist Jeri Greenberg

Come Zoom with Jeri as she approaches painting figures in pastel in this one day workshop. Her intent is to add drama to everyday scenes.

Jeri's approach to the workshop will make sure that the structure and form are correct, try an underpainting, and paint with various pastels to achieve a strong figurative painting that tells a story.

After the demo, you will do a few exercises and then have time at your easels to create. Because we are virtual, Jeri will be able to help you on screen and save your work in a free private app that you can access anytime!"

Jeri will send the link to you as well as the supply list and her email for your work to be seen by her during the workshop.

This class is appropriate for all skill levels.

Class fee: non members \$185 , members\$150 members

Made possible by funds from the Ocean County Cultural and Heritage Commission,
a partner of the New Jersey State Council on the Arts.

Special thanks to STAFFORD TOWNSHIP for their ongoing support to PSAA.
