Pine Shores Art Association

# Artistically Speaking

## Note from Pine Shores' President Linda Saladino

First, thanks to the Nominating Committee for their work and to Lonny Hall and Kimberly Measure for stepping up. The board is excited about working with them. As a PSAA member since 2002, I love our organization. The membership is a big family that looks after one another and enjoys being together; 2021 will be a stellar year and our 40th Anniversary! More on that later.

Right now, we are excited that PSAA has been approved to use our building on Wednesdays from 8:30-4:30 and Thursdays from 4:00-9:00. An eblast/ mailing was sent to you. Please read it carefully and look over the rules we were given by Stafford Township. It is imperative that we follow them to the letter or risk being closed again. No one is allowed to "drop in". All members must reserve their spot in advance. Monitors will be downstairs taking temperatures and helping you fill out the necessary forms. Hand sanitizer is on the wall at the left of the upstairs door and MUST be used before entering the gallery. Your Board and Township Officials have worked hard to get us back safely, and all precautions and protection measures are being taken. The building will be sanitized after each use by the town, so no paintings will be on the walls during this time.

Our Education dept. has scheduled classes from Oct 7– Dec 16, with instructors who will teach in-person instead of virtually. Also Paul Hartelius and Adam Baulderstone will work out a schedule of evening sessions and DYOT times. Information will be on the website and in newsletters and eblasts/member mailings, so check for weekly updates. Although we're not back to business as usual, this is a welcome step in the right direction. We look forward to seeing you; stay safe and God Bless! Linda
