Pine Shores Art Association

Artistically Speaking

Note from Pine Shores' President Linda Saladino

Many thanks to all our members who entered the "Springish Show", and congratulations to all our winners! What a beautiful show it was. Thanks to our gallery committee and webmaster. I am looking forward to our new show "Touch of Blue". We were hoping to have some news about being back in the building, but unfortunately the situation remains the same. In the meantime, look for eblasts about upcoming online classes, and Ocean Twp is sponsoring some outdoor PSAA classes (See event calendar on pg 2). We received an overwhelmingly positive response to looking into leasing or buying a building. I assure you if we take that step, it will be after careful financial consideration. Should it become necessary, our membership fees would increase, but it is our goal to remain affordable for all. I will be speaking to the Stafford Township Administrator this month. Let's hope I can have good news as a result of that discussion. So keep the faith and stay safe and well. We will be together again! Love to you all. Linda
