PRESIDENT'S MESSAGE

By Nancy Edwards

I want to personally thank the members that are beginning to step up and help with some of the responsibilities to keep PSAA running. We are still in need of an Education Chair, and various officer roles will become available at the end of this year. Our Registrar and Newsletter Chair positions have been filled. Committees are beginning to meet, to distribute mini jobs to members. The Education Committee met on July 9th and there was a lot of enthusiasm! Meetings are forthcoming for members who would like to serve on the Membership and Publicity/Newsletter Committee. Watch for details! Thank you very much members for knowing the importance of volunteering! Have a great, sunny summer!

2018 Art Patron Show Update - Mary Walker-Baptiste

Although the numbers are still not totally "crunched," it is safe to say that our 7th Annual Patron Show was the most financially successful so far! (Details to follow) We hope that all you Patrons are super-pleased with your paintings. Thank you for your participation. And a special thank you to all of the very hard working Patron Committee members who started this endeavor in January 2018. We look forward to another great, 8th year, in 2019!

PSAA's \$1000 Scholarship award was presented to 2018 Southern Regional High School graduate Capri Bella Leone on 5/30 by Ilomay Pedicini. At our July General Meeting, Capri presented two motion picture films she wrote and filmed. Those in attendance agreed her presentation was astounding. Capri soon heads to the University of California, Irvine campus for the fall semester but said she so enjoyed her time with PSAA members, and appreciated receiving our scholarship, that she'll be back in the future to say Hi, and to let us know how her budding art career is coming along. All the best, Capri!

PSAA is now included in the **Ocean County Tourism Website**, thanks to Publicity chief Suzi Hoffman. Check us, and all kinds of OC happenings out www.oceancountytourism.com/frmEvents. Bookmark it. This site is comprehensive and includes weekly highlight reports, monthly calendar of events, and NJ promotions, events, and festivals, just to name a few.
