PRESIDENT'S MESSAGE

By Nancy Edwards

WE ARE PINE SHORES

Pine Shores provides many art opportunities for our members, whether it be instruction by qualified artists in various media, drop in sessions, library lectures or trips. And most of all, it's a great social hangout for like-minded people! An interest in art is all that's required to become a member.

PSAA is a non-profit organization, operated and administered solely by member volunteers. Our low cost classes and drop in sessions are due to the years of these dedicated volunteers.

We have come to a crossroads in PSAA history where volunteerism is changing. Many members are not stepping up to offer their help and rely on the few that do. This is not uncommon in today's society...yet in order for PSAA to maintain its low cost services and awesome social opportunities for artists, our members must step up! Please look within to see what you can offer! The Board of Directors has to make some serious decisions as to how to handle our operating costs and lack of volunteers. Time is of the essence! We are ALL Pine Shores!

Last Call for Art Patrons—Mary Walker-Baptiste

The second art history lecture for 2018 in Pine Shores' 4-part series takes place **Monday, June 11, from 7:00-8:45PM** at the Stafford Library. Professor Kate Nearpass Ogden, Ph.D. of Stockton University will present "The Art of American Impressionists."

The same evening from 6-7PM we will enjoy an Artists' Reception. Featured artists for the May/June exhibit are Mike Amato, Nancy Edwards, and Ed Rennar. A refreshment table will be available for your enjoyment. Artwork will be for sale through individual artists.

All Students/Members MUST COVER THEIR WORK AREA!

You are responsible to:

- Cover tables with plastic

These items should be part of your tool kit! If you forget to bring one with you, please ask the instructor to lend you one from the back.

Thank You for doing your part to keep PSAA a great place to do our work!

This program is made possible in part by a grant administered by the Ocean County Cultural & Heritage Commission from funds granted by the New Jersey State Council on the Arts.

~ TIPS FROM OUR ART WIZARD ~

1. Put your coffee in a lidded cup when you paint. It's the only way to ensure you don't clean your paintbrush in your coffee! You KNOW what we're talking about!

2. Prevent dampness from ruining your painting surfaces. Consider getting an Eva-dry Electric Petite dehumidifier. It's small, sits on a shelf, reasonably priced, and it works! No more mold on your paper.
